OTAGO BOYS' HIGH SCHOOL FOUNDATION

The Otago Boys' High School Foundation was officially established in June 2005 with progress made in tracking Old Boys, developing a 'calendar of events', rekindling contact between the school and its alumni, and in generating a funding base.

Pledges, donations and bequests to the Foundation from just 394 Old Boys, former Rectors and Masters, and friends of the school have now passed \$1.2 million. This averages out at just over \$3,000.00 per person. We currently have contact with over 7,000 Old Boys'. If just 10% of our contactable Old Boys' (700) pledged the average gift of \$3,000.00 (over a time frame determined by them) we would achieve our first milestone of \$2.5 million in no time at all!

Once \$2.5 million has been deposited into our various portfolio avenues, the Foundation will begin investing in specific 'points of difference' projects at the school while working doubly hard to continue growing the capital base.

We greatly appreciate and need the continuing support of our Old Boys' to realise this vision.

If you would like to receive a copy of the Foundation booklets which outlines this vision (and with no obligation), please indicate below and we will send these to you.
